Title: Semiconductor Component and Method of Manufacturing Same

INFORMATION DISCLOSURE STATEMENT

Mail Stop Patent Application
Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attached hereto is a completed Form PTO-1449 listing patents, publications, applications, or other information, which the applicant believes may be material to the examination of the subject patent application, with copies of each such item enclosed herewith. It is requested that the cited patents, publications, applications, or other information be made of record in the examination of this application. The filing of this information disclosure statement is not to be construed as an admission that the information cited in the statement is, or is considered to be, material to the patentability of the invention claimed in the above-identified application.

This information disclosure statement is being filed (1) within three months of the filing date of a national application other than a continued prosecution application, (2) within three months of the date of entry of the national stage, (3) before the mailing of a first Office Action on the merits, or (4) before the mailing of a first Office Action after the filing of a request for

continued examination. Accordingly, no fee is required. The commissioner is, however, authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 02-4467.

No representation is made that a search has been performed. No admission is made that the information cited in this statement is, or is considered to be, material to the patentability of the subject patent application.

Respectfully submitted,

Dated: July 7, 2003
